

# WEEKEND AND DAY COURSES IN THE STEEPLE IN APRIL 2008

## CALLIGRAPHY - SATURDAY 19 APRIL

### The Art of Beautiful Handwriting: a one day introduction to calligraphy

Enthusiasm for calligraphy - not only in the traditional sense, but also based on a much freer, creative approach - continues to grow. Calligraphy can be learned and enjoyed by anyone who can write with a pen. Whether you wish to add grace and elegance to your handwriting, impress your friends with a personalised greetings card or produce a beautiful work of art which can be framed and enjoyed by others, a small amount of study can turn into an absorbing passion.

Learn the basic techniques, get advice on pens, ink and paper, and master a variety of styles in a relaxed, fun atmosphere with individual tuition and encouragement.
